Volume 40 Issue 8

Meeting held 1st Monday of every month at 7:00 PM (unless otherwise noted in newsletter).

The Prez Says....

Hello everyone out there in pandemic land. I haven't seen a lot of y'all in the past few months, but I hope to see more of you at our next meeting (still to be at The Outpost). Don't worry we have lots of room to spread out. The last meeting had better attendance than the previous month - hopefully that trend continues.

I for one have not been out detecting too much in July (too busy with work) but I'm planning on going out a few more times before next meeting. I was able to host the months outing to Santa Monica. I got there early at around 6:15 and headed out to hunt while waiting for others to arrive. Harry got there before me & was already out hunting the beach. I managed to find about \$4.50 in change & silver earring with a dangling diamond, a Tungsten ring, an old copper ring (Scavenger hunt item) & a few other keepers. When I got back to the parking lot, I found seven other members had shown up. At 10:30 we had our planted hunt with \$65 in change planted in the field. Overall, a really nice day at the beach. Thanks to all who came.

Hope to see you all at the meeting where we will be discussing our next outing which will be to Castaic Lake, unless Covid closes it...

P.S. We will also be talking about the September & October outings & looking for volunteers to help with both.

Thank you & keep swingin' yer Loops!

Scott

From the Editor...

Well folks, just when you thought it was safe to get a haircut, the Governor shuts it all down again. In my case, the day before my hair appt. so I'm starting to resemble a wooly mammoth.

I've been out hunting a few times to local parks, in the last month. I'm making a point of going to areas I don't usually frequent, to see if some "old" stuff might pop up. I was rewarded with a fake Rolex with a corroded half band (oh thanks!) a fake gold necklace and some coins. What I did see is that people are out playing basketball, sitting out under the trees, and kids are playing soccer, so people are going to the parks.

There are a few photos from the Santa Monica Outing, looks like the people who made it there had a good time.

The August outing to Castaic Lake is, of course, dependent on them not shutting down the facility again, so be sure to check before you head out there. The Club will provide sub sandwich, sides always welcome.

We've got two great outings coming up! The Big Hunt at the Outpost had to be limited to one day instead of two, due to the Covid situation. Scott has put a lot of time and effort into it so hopefully there will be a lot of participation. There are great prizes and it should be a lot of fun. Volunteers are needed though, to make it work.

The October Chili Cook-Off is coming up quick, (See Mike's post on page 4). It will be great to get out of town and away from Pandemic-con for a day or two. Think about being a chili cooking contestant and/or volunteering to lend Mike a hand. (I think Russ and I might cook up something, we'll see.)

Have fun and stay safe.

Linda

Be sure to bring your finds to the August meeting for find of the month.

SANTA MONICA JULY 2020

OCTOBER CHILE COOK-OFF

As you know, our monthly General Meeting and Board Meeting are being held at The Outpost Trading Post in Pearblossom. Scott and Renee Sandahl have graciously offered the business facility for use as our monthly meeting location. At this time we have no idea when we will be permitted to return to Leisure Lake Recreation Room. Our meetings at the Outpost location are held outside with social distancing providing our Club membership a safe meeting location.

Well it's August and our annual October Chili Cook-Off is approaching fast. To say the past few months have been a challenge for everyone would be a colossal understatement. Fear, anxiety, frustration, cabin fever and uncertainty, still loom large for the majority of us. I've not heard of any members being diagnosed with COVID-19, so there is a little sunshine peeking out around the edges of the big dark cloud. The October Chili Cook-Off will be a huge departure from what has become the new norm.

For the last several years, I've had the honor of being involved in the planning and facilitation of some of the events held during this event. From trying to keep things flowing smoothly and on time to trying to come up with new ideas and "special prizes", it's been very enjoyable- especially Saturday night after all the events had finished, when I could take step back looking around and see everyone relaxing while relating stories of the "one" that got away.

The 2020 October Chili Cook-off is going to be an epic event. It will be my goal to top all the previous years, especially when it comes to our Members Only Hunt and prizes. Anyone who has participated in our Club Hunts knows I have always added something special in the way of a prize or special drawing. This year will likely be the last time I'll be so involved in the planning and facilitation aspects, so I plan on going out in style and in a big way. For those who know me and this particular Outing, I try to be unpredictable. Whether it was showing movies on a 10 foot outdoor movie screen, handing out ice cream and Eskimo Pies (Steve Molstad Favorite), not telling anyone I was actually cooking chili for the contest- (just in case it turned out terrible, I would be the only one to know I screwed it up), hiding a prize in a prize (only Anna Valenzuela noticed at the time) or the mystery real or booby prize- Lovetta thinking she really won an actual Toilet Seat! So this year I hope to greatly exceed expectations.

I do not plan on going into many details except to say the number and value of prizes will be double that of last year's record, in both value and numbers- maybe even triple. So be forewarned, missing this year's October Chili Cook-Off outing could be hazardous to your health.....

The board voted to limit the refreshment reimbursement to \$25 per month. While we have had some delicious monthly refreshments, we want to remind those providing them that they are just snacks, not meals! So anything over \$25 is at the generosity of the members bringing them.
